LION 50™ SOLAR PANEL

Light weight for easy use
and transportation

Can recharge with renewable
sources like the sun

We provide portable power that is safe, silent, and renewable. It gives you the freedom to go and live your life, be prepared for emergency situations, or to power your work anytime, anywhere.

SAFE

The Lion 50 Solar Panel has no carbon footprint during use, emits no greenhouse gases, and causes no damage to the environment.

SILENT

The Lion Solar Panel silently powers your energy storage device allowing for an undisturbed work and play environment while charging Lion Energy portable power devices.

RENEWABLE

The Lion Solar Panel is part of our pride of products that creates clean, limitless, renewable energy sources to power your life. It's designed to recharge other units through a renewable source - the sun.
