

LIONENERGY™

# LION 100™ 12V SOLAR PANEL

Durable handle for portability and effortless transportation

Harness the power of the sun and recharge or power your electronic devices

We provide portable power that is safe, silent, and renewable. It gives you the freedom to go and live your life, be prepared for emergency situations, or to power your work anytime, anywhere.

## SAFE

The Lion 100 Solar Panel produces no emissions - none. It has no carbon footprint during use, emits no greenhouse gases, and causes no damage to the environment.

## SILENT

The Lion Solar Panel has silent power allowing for an undisturbed work and play environment while charging Lion Energy solar generators.

## RENEWABLE

The Lion Solar Panel is part of our pride of products that creates clean, limitless, renewable energy sources to power your life. It's designed to recharge other units through a renewable source - the sun.

## USE IT WITH...
