

LION SAFARI™ & SAFARI-XP™

DISCOVER THE LION SAFARI SERIES

A powerful addition to our lineup, the Lion Safari and Safari-XP (expansion pack) are here to revolutionize your life with clean, limitless, and renewable energy like never before. These powerful companions have a zero carbon footprint during use, they emit no greenhouse gases, and pose no harm to our environment. Remarkably gentle yet incredibly powerful, the Lion Safari and Safari-XP are even safe for indoor adventures and as quiet as a lioness on the prowl.

Wherever your journey takes you, whether amidst the blazing savannas or bustling city streets, trust these reliable companions to provide ample power on the go. Join the energy revolution today and unlock your power potential with the Lion Safari!

For an even mightier impact, consider adding optional solar panels to harness the boundless power of the sun.

BENEFITS

- ▶ **FAST CHARGE TIME:** Achieve a full wall-to-battery charge in just 2.3 hours and 5.3 hours with the Safari-XP!
- ▶ **EXTENDED USE:** With 3,500+ cycles, it's built to last for daily, extended use.
- ▶ **MULTIPLE OUTPUTS:** Connect multiple devices via AC, USB, or 12V connections - the options are plentiful!
- ▶ **EASY TO TRANSPORT:** Carrying handles make transportation a breeze, at 57lbs and only 50lbs for the Safari-XP they're easy to take with you anywhere.
- ▶ **POWER TO SPARE:** Unleash the beast with an initial 6,000W surge for those moments when you need that extra boost. Plus, enjoy pass-through power mode for seamless usage.
