Safe. Silent. Renewable. Power.

LION SAFARI ME™

Introducing the fastest SOLAR GENERATOR around – faster than a speeding bullet or a Tesla on the Autobahn! It can be fully charged in just under 90 minutes allowing you to use its power without running out of power

5x's the life cycles as the leading competition

Re-charge with renewable sources like the sun in as little as 90 mins for continuous, nearly limitless power.

AC Pass Through power mode and expandability to fit personal needs.

At Lion Energy, we provide portable power that is safe, silent, and renewable. It gives you peace of mind for emergencies and power for your work and play anytime, anywhere.

SAFE

The Lion Safari ME produces no emissions - none. It has no carbon footprint during use, emits no greenhouse gases, and causes no damage to the environment. It's even safe enough to use indoors.

SILENT

The Lion Safari ME is whisper quiet. Silence is golden, so is the ME.

RENEWABLE

The Lion Safari ME unit is part of our pride of products that creates clean, limitless, renewable energy sources to power your life. Add an optional solar panels to harness the power of the sun.
