LION SUMMIT™

Pure Sine Wave

Run devices safely and efficiently

Fast Charging

Recharge The Summit with AC power or renewable sources such as solar.

Bluetooth

Easy to use app for information on demand

We provide portable power that is safe, silent, and renewable. It gives you the freedom to go and live your life, be prepared for emergency situations, or to power your work anytime, anywhere.

SAFE

The Lion Summit produces no emissions - none. It has no carbon footprint during use, emits no greenhouse gases, and causes no damage to the environment. It's even safe enough to use indoors.

SILENT

Unlike other generators, the Lion Summit has silent power allowing for an undisturbed work or play environment. No need for long extension cords or being tethered to the wall.

RENEWABLE

The Lion Summit is part of our pride of products that create clean, limitless, renewable energy sources to power your life. It's designed for recharge through traditional AC power or renewable sources such as solar, wind, and water.
