

LION UT™ 1300 BT

LIONENERGY™

BLUETOOTH ENABLED

Use our Lion Energy Smart app to effortlessly get information directly to your smartphone. Available for Android and Apple smart phones.

MORE POWER? YOU GOT IT.

Unlike other batteries, the Lion UT 1300 outputs 150A continuously and has a 900A peak. More output means more power for your RV, motorhome, boat, shed, gazebo, and dump trailer.

LASTS A LIFETIME

Using Lithium Iron Phosphate technology, the Lion UT 1300 can be fully drained and recharged over 3,500 times – outlasting any lead-acid battery by years. That's why we back it with a lifetime warranty.
